P&O Cruises to showcase Mr Brainwash ‘Dreams Come True’ Disney art collection across its fleet

P&O Cruises, in collaboration with Clarendon Fine Art, will feature Mr Brainwash’s latest collection, *Dreams Come True*, on board its ship.

Created by Mr Brainwash in collaboration with Disney and presented through Clarendon Fine Art, the collection sees world-renowned street artist Mr Brainwash (Thierry Guetta) reinterpret characters from Disney Mickey & Friends through his instantly recognisable lens of colour, optimism and street-art energy.

Guests sailing with P&O Cruises will be able to view and purchase pieces from the collection across the fleet, with artworks available on board while stocks last.

The *Dreams Come True* collection comprises 14 limited-edition prints alongside striking sculptures and original works. Guests can purchase artworks during their cruise, with all pieces shipped directly to their home address for added convenience.

Carnival UK & P&O Cruises president Paul Ludlow said: “P&O Cruises has a long tradition of bringing memorable cultural experiences to life on board our ships, and this collection is a wonderful example of that. Showcasing such an iconic and globally recognised collaboration gives our guests the chance to engage with contemporary art in a truly distinctive setting – and perhaps take home a piece of something incredibly special.”

Helen Swaby, CEO at Clarendon Fine Art, said: “The meeting of Disney’s timeless imagination and Mr Brainwash’s fearless creativity marks the beginning of a new creative era, defined by a body of work that feels both nostalgic and completely new. The collaboration is pure alchemy!”

Mr Brainwash’s *Dreams Come True* collection launched globally on 1 December 2025, with P&O Cruises now stocking the collection on board in partnership with Clarendon Fine Art. The collection will remain available on board across the fleet while stocks last.
