

EPICUREAN

Welcome...

Prepare yourself for an extraordinary gastronomic journey to the very heart of fine dining. Epicurean fuses classic elements with the best of modern British dining to create a sensuous menu, uniquely presented in a sophisticated and contemporary setting.

Our emphasis is on grand style and flawless service. The menu features dishes that are skilfully prepared table-side, in a performance worthy of the West End and, with time to thoroughly appreciate each course, you can relax and revel in Epicurean's special atmosphere.

We only use the finest produce and present it with great skill to achieve maximum flavour. Although exceptional, our dishes are not overcomplicated or fussy – they simply allow the ingredients to be the stars of the show.

If the menu proves too tempting to decide, your knowledgeable waiter is on hand to take you through each captivating choice.

All our staff are highly trained and dedicated to the pursuit of dining pleasure.

Their passion for food is an inspiration for guests, and is as much a part of the Epicurean experience as the food itself.

We hope you will enjoy our selection of both classic and soon-to-be-discovered dishes.
